Prenatal Opioid Exposure and Treatment

Lauren Marcus, Social Worker at Children's Specialized Care will discuss Neonatal Opioid Withdrawal Syndrome (NOWS) for infants who have been exposed to opioids during pregnancy. The seminar will provide important information for adoptive parents on the symptoms of opioid withdrawal and treatment options and strategies available to the baby and the adoptive parents. The presenter will host a question and answer session for the adoptive parents after the presentation.

Wednesday, October 8th | 6:30-8:00 PM

Registration deadline: October 1st, 2025

Navigating Open Adoption after 5+ years of being placed

Come join us for a Ed. Series with families who were placed more than 5 years ago. They are looking forward to talking about how they have navigated open adoptions throughout the years. They are going to talk about what things have changed and what has stayed the same and navigating different seasons of life for their children and their children's birth families.

Thursday, November 6th | 7:00-8:30 PM

Registration deadline: October 30th, 2025

Elevating Adoptee Voices: Adoptee Panel

Come join us in a lifting adoptee voices with a panel of adult adoptees of different backgrounds (International Adoption, Domestic Adoption, Transracial Adoption, etc.) You don't want to miss hearing from the most important members of the adoption triad on their experiences, thoughts and feelings. Panelists will be open for questions from attendees.

Tuesday, November 18th | 6:00-7:30 PM

Registration deadline: November 11th, 2025

Prenatal Drug & Alcohol Exposure \$100/family
