

TRIANGLE TIME

Join AFTH and adoptive parent/early childhood educator Jacquelyn for a supportive story time for adoptive families to play and engage with their children.

WHAT TO EXPECT:

- Fun, adoption-centered activities with songs, stories, games, and hands-on crafts.
- Led by a facilitator experienced in adoption, social-emotional growth, and early childhood development.
- A warm, supportive space for adoptive families to connect and grow together.
- Opportunities for children to meet other adoptees and build social skills like sharing and cooperation.
- A meaningful space for adoptive parents to share experiences and strengthen their support network.
